## Project Tour 2008

You missed a good time if you did not do the Poker and Project Tour on March 29th. It started with viewing seven projects in different stages of construction and ended with a great lunch at Tanners Bar & Grill.

I want to thank the seven Chapter members, pictured in this newsletter, for opening their homes and garages to fellow members (and guests) to view their masterpieces. These members not only allowed us to view their projects, but also answered many questions. I am sure some questions were repeated by the different groups that came through during the 2 1/2 hours each project was open for viewing.

These projects, talking about them, and learning from one another is what EAA is about! A special thanks goes out to Doug Humble for setting up this event. Good job Doug!

I also want to give thanks to the spouses of the members who opened their homes for us. I know my wife would not have been happy with all those people coming through the house to see our basement! Will Kroeger

### Believe it or not!

This Triumph motorcycle is a critical piece of Tom Wieduwilt's RV-6. You will need to ask TW or Ken Bahr to find out which part. Clue - it keeps the pilot cool.

## April Meeting Time & Location.

We are back at Hangar One at Millard Airport on **Monday, April 14th** at 7:00PM. It is still located on South 132nd Street between Q and Harrison.

## April Program.

Our guest speaker will be Brian Thomas, a friend of John Linke. Brian will talk about his experiences of living in India and flying both privately and with the Indian military.

**THE B-17 IS COMING. THE B-17 IS COMING.** It will be here June 26-30. We are planning on hosting the B-17 at Plattsmouth airport so as to get away from the security headaches of Eppley. In addition, this will allow us to host a Young Eagles event at the same time. Kevin Faris has volunteered to chair this project and is currently working very hard to get things going. However, he will need volunteers to help set up the event and volunteers to work the event. Please contact Kevin to let him know how you can help.

Did I mention we are hosting a Chapter picnic after the flying is done on the 28th? Please keep these dates open on your calendar.
