# CHAPTER 80 NEWS

## President's Corner

Well, you wake up one day to 107 degrees and wake up the next to 70. That is just life here on the Great Plains. I have been looking forward to the cool and nice flying weather that Fall has to offer. I just need to plan to fit that flying in before Winter hits.

No meeting on 8 September. In lieu of the meeting we will be having our

annual EAA 80 picnic at the Plattsmouth Airport on 7 September. Fly-in or drive-in! The event starts at 11:00 and lunch will be served at 12:00. Bring a side dish or dessert to share if able.

Our monthly Young Eagles event was on 23 August. Once again thanks to Scott Pridie and all the volunteers for hosting. Our August event has been rescheduled for 13 September.

Hague Howie's STEMaha day has been rescheduled for 6 September at Millard. He is expecting many vendors, static displays, and activities for young inspiring aviation enthusiasts. Plan to participate or volunteer if you can!

Elections will be in November. We will likely need a President, Vice President, and Secretary. Please consider volunteering for one of these important and rewarding jobs in EAA 80.

Get out and fly this Fall!

Thanks, and fly safe!

Bruce
